Founded in 2003, Echo Ministries is a 501(c)(3) non-profit organization dedicated to producing God-glorifying concerts and events.

With extensive experience in coordinating events, Echo can be an important resource when beginning discussions about hosting an event in your church or community.

Echo Ministries can help you with all aspects of putting on a concert, such as :

ARTISTS

- » Echo will help determine an appropriate artist for your event
- » Echo will stay within your budget
- » Echo will facilitate all contract negotiations

PRODUCTION

- » Echo will coordinate sound, light, video, etc
- » Echo will help with all venue logistics

MARKETING

- » Echo will coordinate all advertising
- » Echo will send press releases to local media
- » Echo will design, print, and mail promotional materials
- » Echo will provide ticketing (both online and phone)

Visit www.echoconcerts.com and signup for the Echo email list to receive updates about concerts in your area!
